## **Skills**

### **Conscientiousness** – Diligence, Self-Management, Personal Responsibility

- I work diligently, with a positive attitude and take responsibility for my own actions.

### **Team Working**

- I work with others in the team in a positive, respectful and supportive manner, providing support and help when needed, and managing conflict when required.

### **Planning and decision-making** – Anticipation, planning, Making Decisions

- I am able to gather and evaluate information and act upon it in a logical and methodological way.
- I am able to anticipate events, estimate their likelihood and plan what actions to take in advance of the event.
- I make decisions based on the analysis of information from appropriate sources, knowledge and options.

### **Communications**

- I listen to others, make a conscious effort to hear what is being said and understand the meaning of the message.
- I can pass on information and instructions accurately, clearly with all the information needed, in a timely fashion.

### **Willingness and ability to learn**

- I have ambition and the desire to be promoted.
- I am motivated to be trained.
- I can retain information, apply it in the work environment and learn and develop on the job.
